SUMMER MEAL DELIVERY

This summer, the MPS Foundation and the Greater Milwaukee Foundation's MKE Responds Fund are partnering with the MPS Department of Nutrition Services to offer FREE meal delivery to children and adults at bus stops and individual homes in select Milwaukee ZIP codes.

Participants will receive meal bundles on Mondays, Wednesdays, and Fridays containing breakfast and lunch meals for each day of the week. The MPS Department of Curriculum and Instruction will also supply grade-specific bags of reading and enrichment materials as part of the program. Program spots are limited and will be first-come, first-serve.
