## **Academic Achievement**

### **School Report Card**

Mr. McHale reported on the 2018-2019 DPI state report card results that were recently published. Golda remained an "Exceeds Expectations" school. This year the state began including 9th and 10th grade ACT aspire scores. For more information and to view the state report card results, please visit <https://dpi.wi.gov/accountability/report-cards>.

### **Efficient and Effect Operations**

Building expansion proposal has been tabled as of now. We are looking to recruit families to attend the school board meeting with the proposal. The idea is to use portion of expansion for standardized testing. The school was built for a middle school and the expansion will support our growing student body.

### **Student/Family/Community Engagement**

Ms. Engel, student council advisor, reported on all the activities that our student council members organized in the school community this semester. Student council attended a leadership conference at Carroll College where they were asked to return next year and speak on the organizing process they use called Agile. They are currently working on a voter registration drive for students. Stephen De Vogas came to speak to our student council members and shared the importance of informed voting. The student council will be attending the Bucks leadership day in December.
