

News from your Parent Coordinator

Dear Humboldt Park Parents/Families,

You have a great tool to support the education of your MPS children. It's the **Parent Portal Account**. The Infinite Campus Parent Portal allows you to have 24/7 access to your student's information such as grades, attendance and transportation. You may gain access by completing a simple verification process, in person, at Humboldt Park School.

- Stop into school and let the secretary (Ms. Holly) know that you would like Parent Portal access.
- Provide identification to verify your relationship.

Ms. Holly will then provide you with a welcome letter that includes your Parent/Guardian Identification number-also known as the **GUID** number. Save this letter when you login for the first time. You should write the password you select on this letter. (The process to change your password can be time consuming.) The welcome letter also includes the link to access the Parent Portal.

The Parent Room has computers available to login and access the Parent Portal or you may login at home. There is an Infinite Campus Smart Phone App available to you, also. That information is found on the Welcome letter.

If you have any questions about the Parent Portal, please contact me at 414-294-1759.

Sincerely,

Patti Dillon

Parent Coordinator
Humboldt Park School
