Student Day Hours 8:45-3:30

Gina Bianchi, Principal

MEDICATION AT SCHOOL

If your child must take any type of medication at school, we must have a new Medication Authorization Form each year. These forms will be available at Open House and on our website. Prescription medications require a doctor's authorization and parent authorization. All medication must be in its original container. No medication will be given without proper forms on file.

TRANSPORTATION

You will be receiving busing information for your child from MPS Transportation at Central Office. If you need to make changes, please contact the Department of Transportation at 414-475-8922.

BEFORE AND AFTER SCHOOL CAMP

We are pleased to be able to offer camp for our students! MFIS parents are able to enroll their children in camp each year. Annual registration is required and forms at Open House. You can also register and pre-pay at the office during the week of August 21st-25th during office hours of 8:30-4:00. If you have an outstanding balance, this must be paid in full prior to this year's registration.

ATTENDANCE AND TARDIES

It is very important for your child to arrive at school on time, every day. Students will get off the bus and come directly in the building and to their classroom. Students not riding the bus will come in the front door and go directly to their classroom. Students arriving after 8:45 will be considered tardy. When students are late, they miss important information and may fall behind academically. Please be sure to call the school to notify us anytime your child is absent. You must also send a written excuse when your child returns to school.

PBIS

MFIS will begin its seventh year using the Positive Interventions and Supports Framework. Students are taught and are expected to follow three school-wide rules: Be Respectful, Be Responsible, Be Safe.

Students are acknowledged for following the rules and may receive consequences for breaking the rules.

HEALTHY FOOD INITIATIVE

As part of a healthy food initiative, MFIS has only healthy snacks. We call them "tastings". The French word for snack is "goutée" which translates directly to the word tasting. We are also participating in the Food and Vegetable program which will provide our school with tastings two days a week. Students in K4 and K5 will also bring in snacks for the other days. Schedules for bringing in snacks will be provided by your classroom teacher. For birthdays, students may bring in healthy snacks such as cheese, fruit, and vegetables. Students may not bring in cookies, cupcakes or other sweet treats in an effort to support this initiative. There may be occasional exceptions to this rule for PBIS celebrations as determined by the teacher. More information to follow.

UNIVERSAL FREE LUNCH AND BREAKFAST

Milwaukee Public Schools is participating in National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP). All enrolled students of Milwaukee Public Schools are eligible to receive a healthy breakfast and lunch at school at no charge to your household. Students may still choose to bring their own cold lunch and would have to pay for a milk. This year meals served at MFIS will not be pre-packed, they will be made on site.
