Accessing Google Classroom

1. Go to https://mps.milwaukee.k12.wi.us/
2. Hover over Students tab
3. Click on Student toolbox
4. Login with Clever
   Student Logins are: student lunch numbers (with an s before it) and birthdate mm/dd/yy
   example:
   Username: s1234567
   Password: 01/02/15
5. Find the icon for Google Classroom and click on it
   (Or go directly to classroom.google.com)

The side-by-side options below show the two different ways students can join a Classroom

**Teacher Provided Code**
- Go to the plus sign in the upper right corner and click
- Click “Join Class”
- Type in the Code the Teacher sent you in the box that pops up - then click Join

**Teacher Invited Students**
- Look at the Tile(s) - if there are no tiles on the page, the teacher has not invited the student into the room yet
- Find the tile that has the students Classroom Name and Teacher listed with the Accept or Decline buttons
- Click Accept

You have joined a Google Classroom for your student!
Use Steps 1 - 5 to get into Classroom - Students will still be registered!
