April 22, 2020

Dear Victory Families,

I hope all are safe and healthy during Wisconsin's Safer at Home period. As devastating as this is for our students and school staff, I have to believe that this conservative approach will effectively keep us safe and flatten the curve. The Victory staff are creatively thinking of strategies and techniques by connecting with colleagues, so they are continue to support the learning of their students. But we can not do this alone. Parents we need you more than ever to ensure learning is occurring until June 11, 2020.

April 22-24th is our first distribution of chrome books for families who submitted and completed the technology survey who qualify to receive a chrome book. If you completed the survey and did not receive a call from myself or Ms. Soto, we will be setting up appointments once we receive the updated survey data from the district for the next distribution of chrome books.

Included in this packet are letters from individual classroom teachers regarding how you can connect with them and ensure your child's growth academically and prepared for the upcoming school year.

In addition to our technology resources I wanted to share some district resources and telephone numbers:

MPS Central Office switchboard: (414) 475-8393 or (414) 475-8900 for general assistance. Both lines are open Monday through Friday from 8:00 a.m. to 5:00 p.m.

Parent Portal: If you need support recovering usernames/password, parents/guardians should email parentportal@milwaukee.k12.wi.us. This email should contain the parent/guardians' name, child's names, birthdate and contact number to assist in resetting the Parent Portal account. If you have not received a phone call or email to reset the Parent portal account within 24 hours, please call (414) 475-8159.

Special Education: If families have any questions regarding students with Individual Education Plans or service, parents can leave a message stating the child's name and birthdate along with their name and contact information at (414) 438-3648 and you will be contacted within 24 hours of the call.

If you have any updated contact information: telephone number, email, address, please contact Ms. Muniz at municz@milwaukee.k12.wi.us.

Take care of yourself and be safe. Take advantage of this unusual time to spend time with your kids!

Respectfully,

Jantine Cano Graber

Principal
