Rewarding Positive Behaviors at Home

Zablocki School launched PBIS (Positive Behavioral Interventions and Supports) this school year. We will be teaching our students the following expectations:

Be Safe, Be Respectful, Be Responsible

Just as we will talk to our students about what those behaviors look like in the classroom, in the hallway, in the cafeteria, on the bus, in specials, and on the playground, you too can talk to them about what those behaviors look like at home. Here are some examples:

PBIS Expectation	 Home Examples
Be Safe	<ul style="list-style-type: none">• Walk up and down stairs.• Look both ways when crossing the street.• Use eating utensils properly.
Be Respectful	<ul style="list-style-type: none">• Ask instead of demand.• Say “please” and “thank you.”• Look at adults when they are talking.
Be Responsible	<ul style="list-style-type: none">• Clean up toys when finished playing.• Do chores.• Wash hands after using the bathroom.

We will reward students for displaying positive behaviors at school. Students will also be acknowledged for being to school on-time and here each day. You can use home rewards to help motivate your child to keep up the good work at school, or for exhibiting the expectations at home. Home rewards do not need to cost any thing!

Some suggestions for home rewards include the following:

- Read a story to your child or have your child read to you.
- Stay up 10 minutes past bedtime.
- Cook his or her favorite dinner.
- Provide computer time at home or at the public library.
- Color or draw with your child.
- Play a board game or complete a puzzle together.
- Get out of having to do chores for a day.
- Watch his or her favorite movie.

- Help cook dinner.

- Go for a walk outside together.
